

Muhammad Ehsan

Frontend Developer (Vue.js | React | Next.js | Nuxt.js)

Frontend Developer with 2+ years of experience building scalable and responsive web applications. Specialist in Vue.js (Vue 2 & Vue 3) with growing expertise in React, Next.js, and Nuxt.js. Skilled in converting Figma designs into high-quality UI using Tailwind CSS and modern frameworks. Experience with Firebase and REST APIs. Currently expanding into full-stack development with the MERN stack through hands-on practice projects. Focused on performance, clean code, and user experience.
